*The world as we know is experiencing unparalleled times, and the health and well-being of our customers, staff and communities continue to be our top priority. We continue to monitor both our government websites, and the direction by our other associations. We currently are continuing to serve you through the operation of phone, email and Online methods. We will not begin to provide maintenance services or begin residential construction projects until our government has allowed the reopening of non essential businesses. We still will be offering virtual design and estimating services, bulk material contact less delivery and pick ups, and large tree sales.*

*Please watch our website and social media accounts for updates. Of course you can always contact us directly about the status of your project or to discuss your anticipated landscaping requirements.*

*Our current business hours* Monday to Friday, 8am-4:30pm

*Phone Number:* 519-284-0254

*We greatly appreciate the efforts and hard work of our team.  
As always, the nature of our business and industry continues to be one of growth and of hope.*

*Please stay safe & healthy,  
From all of our team at Klomps Landscaping Inc*
